Re: Horizon Solar construction

Dear recipient,

This is to notify you that construction is moving forward on Horizon Solar, LLC the 200-megawatt solar-powered electric generation facility in Frio County.

Construction began last June and clearing and civil construction activities and equipment installation began the following month.

To keep you informed, I wanted you to know general construction activities are limited to the hours of 7:00 am to 7:00 pm., and the project is expected to be completed and operational by late 2023 or early 2024.

If you need additional information on the project, it can be found on the project website at www.horizonsolarfarm.com.

Attached to this letter is the Horizon Solar, LLC complaint resolution form. If you have issues or questions, you can complete this and send to the address on the form or email it to me at: cam.coleman@leewardenergy.com.

Horizon Solar is committed to being a good neighbor and to openly communicate with and support the local community. Please let us know if you have questions or issues as construction continues.

Thank you,

Horizon Solar Project Team
